

# BRANDI CAMERON

## FRONT-END DEVELOPER

[brandicameron.com](http://brandicameron.com)

[github.com/brandicameron](https://github.com/brandicameron)

[hello@brandicameron.com](mailto:hello@brandicameron.com)

[linkedin.com/in/brandi-cameron](https://linkedin.com/in/brandi-cameron)

**Highly driven, front-end focused developer that thrives in creative environments.**

I am in search of a place to expand my programming knowledge and grow into a well-rounded developer. If you feel my skill set and commitment to excellence would contribute to your team, reach out — let's do great work together.

## EDUCATION

### WEB

Nashville State 2019

Adobe Illustrator

## EXPERIENCE

### CEO, DESIGNER, SHOPIFY 2009 – 2022

#### [3 Dollar Templates](#)

Built and maintained a leading Photoshop template company for photographers in the US for 13 years.

- Conceptualized, designed, and made market ready thousands of products including branding materials, social media graphics, greeting cards, albums, and easy-to-use mock-up templates.
- Built and maintained the Shopify e-commerce site.
- Handled all marketing: print, digital, and social ads.
- Taught thousands of photographers how to customize and use design templates in Photoshop.

### WEB DEVELOPER / DESIGNER 2021 – Present

#### [Clean & Green](#)

Created all branding, as well as designed, developed, and maintained a billboard website that consistently receives daily inquiries resulting in new weekly or bi-weekly clients when within the service area.

## MORE

### AMERICAN ADVERTISING AWARDS

Selected to conceptualize and design all collateral for the 2019 Student ADDY Call for Entries and Award Show.
